Vancouver file 17200/32 contains copy of letter from American Consul, Hong Kong, dated June 30, 1933; addressed to the Commissioner of Immigration, Seattle; inclosing precis covering the cases of all applicants except Jasmine Chan; indicates said Chinese have secured visas from that office and are sailing on the SS "Empress of Asia" from Hong Kong on July 3, 1933, to Vancouver, B. C., where they will trans-ship to Seattle. File contains copy of American Consular letter from Hong Kong, dated June 30, 1933, advising the Commissioner at Seattle that Kenneth Chan is taking his wife, Kitty Fox, Annie Chan, and Emily Mary Tyson Moraes, to the United States for a temporary visit, and is uncertain whether he will proceed from Canada to Alaska or Seattle; and anticipates some difficulty in the event he goes first to Alaska; stating that Mr. Chan is well known to that office and facilitating his entry to the United States would be appreciated. File contains copy of Vancouver letter of the 20th instant forwarding the letter of the American Consul, Hong Kong, inclosing the precis in the cases of the Chinese mentioned and noting that the husband of Mrs. Moraes is one Joseph Souza Moraes, indicated as being in Seattle, c/o Milwaukee Hotel, 666 King Street. File further contains copy of report of investigation by

Inspector J. P. Sanderson, Seattle, of the 22nd instant, No. 7027/179, indicating that Mrs. Moraes, apparently of Chinese race, arrived at Vancouver the 19th instant, claiming to be wife of Mr. Moraes above-mentioned; and stating that investigation discloses that Mr. Moraes, Portuguese, born in China, arrived in the United States probably at San Francisco about two years ago, and shortly thereafter lived with a Chinese woman named Betty Lam as man and wife at the Milwaukee Hotel, the woman being employed as chambermaid and Moraes having no occupation; that they left owing various bills about six months ago and are reported to be now living in an apartment house at 1555 or 1557 Octavia Avenue, San Francisco; that considerable mail is held at the hotel for these parties, including one letter post stamped in China during last March, addressed to Mrs. Joe Moraes; that a large photograph showing two women, one being that of Mrs. Emily Mary Tyson Moraes is included in the mail held; that they left without leaving a forwarding address, and it is thought that Mr. Moraes may be subject to deportation. File contains Seattle letter of the 22nd instant, No. 7027/179, stating that if any of the parties mentioned desire to enter Alaska, or continental United States, they should apply for admission at Seattle. File contains Bureau telegram of the 24th instant, addressed to the U. S. Immigration, Vancouver, as follows:

"Examine Kenneth Chan and Jasmine Wong and Kitty Fox and Annie Chan and Mrs. Emily Mary Tyson Moraes and thereafter advise Inspector in Charge Ketchikan Alaska by wire or radio of your recommendation as to their admissibility and of fact that Department has opened Ketchikan as port entry for Chinese sole purpose considering application these aliens for admission as temporary visitors.

sgd/ Archibald."

Seattle files No. 7027/175, 176, 177, 178, and 179, relating to Kenneth Chan, Jasmine Wong, Kitty Fox, Annie Chan, and Emily Mary Tyson Moraes, respectively, were forwarded to this office in connection with a telephone call with the Seattle office. The first file mentioned contains the precis covering Kenneth Chan and Jasmine Chan by the American Consulate, Hong Kong, June 30, 1933; reflects his wife's name also as "Jasmine Wong", aged 21; that he has a son, Wilfred, aged 18 months, and no daughters; wife accompanying husband and the son remaining in Hong Kong; traveling to the United States for pleasure and sight seeing; indicates that Mr. Chan is taking a party with him to spend a few weeks in the United States; that he is well known to the Hong Kong office as a prominent figure in local business; and that every effort has been made to facilitate his journey; that he intends to visit Alaska, but since there is no port of entry for Chinese there, he has been advised to inform the immigration authorities at Vancouver so that arrangements may be made prior to his departure. Precis contains photographs which are good likenesses of himself and his wife.

File 7027/176 contains only reference sheet (Spl. 9), No. 7027/176, listing Kenneth Chan, 7027/175; under relationship appears the word "husband"; name of "Jasmine Wong" appears on the jacket of said file.

File 7027/177 contains precis only in the case of Kitty Fox, Section Six traveler, Visa No.258; reflects applicant's age, physical description, occupation, etc., as appearing on her Section Six Certificate; indicates that she is single; traveling to the United States for pleasure; references in the United States, none; under Consular investigation and remarks appears "member of party, Mr. Kenneth Chan."; bears photograph which is a likeness of applicant.

File 7027/178 contains precis of Annie Chan, Section Six traveler, Visa No. 259; reflects applicant's age, physical description, occupation, etc., as appearing on her Section Six Certificate; indicates that she is single, and further that she is a member of the party of Mr. Kenneth Chan; bears photograph which is a likeness of applicant.

File 7027/179 contains precis in the case of Mrs. Moraes, Section Six traveler, Visa No.260; shows description, birth, residence, occupation, as appearing on her Section Six Certificate; under "family" is listed "husband, Joseph Souza Moraes, 42; one son, Basil, 12; one daughter, Margarite, 10. Husband in U.S.; children in Hong Kong."; nationality, Portuguese; reflected as member of party of Mr. Kenneth Chan; and her husband is shown as being at the Milwaukee Hotel, Seattle; contains photograph which is a good likeness of Mrs. Moraes.

- Q Mr. Chan, will you state briefly the nature of the family relationship, as far as Mr. and Mrs. Moraes is concerned, and state also whether or not she plans to join him?
- A Well, Mr. Moraes left Mrs. Moraes in Hong Kong twelve years ago, and no word or support was sent to Hong Kong after his departure. Mrs. Moraes' trip to the United States this time is for her health, but the Portuguese Consul at Hong Kong refused to grant her a passport, except on the condition of her joining her husband. The application for the passport was made and granted as a blind, so that she could enter the United States for health purposes. She has no intention whatever of meeting or joining her husband in the United States.
- Q Was that more or less the actual understanding of the Portuguese Consul in this case, and that he knew that the statement that she was to join her husband was merely to meet technical requirements?
- A Yes.
- Q What is the trouble with Mrs. Moraes' health?
- A She is suffering from a nervous breakdown.
- Q She has no contagious disease of any kind?
- A No.
- Q Nor any other members of your party that you now of?

SUBOFFICE: Vancouver, B.C.
July 20, 1933.

Forwarded herewith is letter of the American Consul General, Hong Kong, dated June 30, 1933, inclosing precis in the cases of the Chinese, **KENNETH CHAN**, **KITTY FOX**, **ANNIE CHAN**, and **EMILY MARY TYSON MORAES**, and also second letter of the same date from the Consul General indicating that the party is not certain whether they will proceed from Canada to Seattle or to Alaska. The two letters with the precis, which are also inclosed, were received today in an envelope addressed to this office, ex S.S. "Empress of Russia".

The Canadian Pacific Railway is endeavoring to arrange with our Department direct to have Alaska opened as a port of entry for this party and for their preexamination at Vancouver. The company approached me some time ago in the matter and I suggested that they have their agent at Seattle take the matter up with your office. Later it was reported to me verbally that your office did not seem inclined to take any steps in the matter.

It is noted that the husband of Mrs. Moraes is one Joseph Souza Moraes and is indicated as being in Seattle, C/o Milwaukee Hotel, No.667 King Street.

It is suggested that you may wish to return the precis to this office after inspecting them and if authority is not granted to have these Chinese examined here we will endeavor to have the precis go back to you at the same time the passengers go forward to Seattle.

It is further suggested that you may wish to report as to the status of Mr. Moraes as that might be pertinent in considering the admissibility of the wife.

AMERICAN CONSULAR SERVICE

Hong Kong, June 30, 1933.

The Commissioner of Immigration,
Seattle, Washington.

Sir:

Kenneth Chan is taking his wife, Kitty Fox, Annie Chan, and Emily Mary Tyson Moraes, to the United States for a temporary visit. He is uncertain whether he will proceed from Canada to Seattle or to Alaska. In the event that he goes first to Alaska there may be some difficulty in having his case examined, since there is no port of entry for Chinese in that territory.

Mr. Chan is well known to this office and I should appreciate your advising him as to the necessary action to facilitate his entry in the United States.

Very respectfully yours,

Douglas Jenkins
Douglas Jenkins,
Consul General.
